Marine Studies at Canterbury School of Florida

Founded in 1968 as a co-educational, non-profit college-preparatory day school, Canterbury School of Florida is a community of diverse individuals sharing a common goal – to educate the whole child.

Canterbury's Mission: *Canterbury School of Florida educates and nurtures the whole child in mind, body, and spirit in preparation for college and an honorable life as a responsible steward of our world.*

Marine Studies at Canterbury is a school-wide program for students in PK3 - Grade 12, focusing on all aspects of marine science and environmental education. We are proud to be the very first Cousteau Divers partner school in the world!

Each year, the Marine Studies department hosts a family-friendly Catch and Release Fishing Tournament fundraiser to help support the Marine Studies program and conservation efforts that benefit our local Tampa Bay environment, some of which include marsh grass restoration, dolphin research, SCUBA program, coastal cleanups, green infrastructure, and marine science education.

This year, our goal is to improve our technology and outdoor facilities to bring state of the art science outdoors! We would like to increase accessibility to our campus STEAM garden area, hands-on science field data collection tools, as well as create funds for student program scholarships! Today's experiences create tomorrow's leaders!

ABOUT US

INFORMATION

RULES AND INFORMATION

- **Tournament info:**

- The tournament will feature cash awards for adult anglers, awards and prizes for youth fishing anglers, raffles, online auction, and a virtual after-tournament awards celebration.

- **Captains Meeting:**

- The Captain of each team needs to attend the Captain Meeting. The Captains meeting, for convenience, will take place virtually through GoTo Meetings. The meeting starts Thursday, April 7th at 6:30 p.m. (EDT) and should last around 30-45 minutes to go over rules, regulations and entry submissions.
 - The meeting link is : <https://meet.goto.com/920757725>
 - Captains bags can be picked up from Canterbury School of Florida, Knowlton Campus from the front desk **Thursday, 3/7 8:00 am-3:00 pm and Friday, 3/8 8:00 am-3:00 pm** please reach out to amitchell@canterburyflorida.org if you need to pick up your bag at another time before the event!

- **Fishing Area**

- All of Tampa Bay, inside of Egmont Key

- **Fishing Time**

- Saturday, April 9, 2022 from 6:30 a.m. until 1:30 p.m.
- In the event that the 9th is rained out, your entry fee will become a tax-deductible donation to CSF Marine studies.

- **Tournament Awards/After Party**

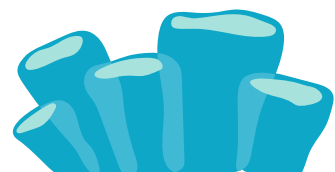

- 1:00 to 4:00 p.m. at **St. Petersburg Yacht Club Marina on Snell Isle, 1305 Snell Isle Blvd. NE**
- Parking for Awards/After Party: Available down side streets and at Canterbury School of Florida Hough Campus. Please be courteous and respect all street rules.

- **Catch and Release**

- The goal of this catch-and-release tournament is to release fish as quickly as possible with as little injury to the fish as possible. To meet this goal, please work as quickly and as carefully as you can to remove the hook, take a photo, and return the fish to the water as soon as possible. Please try to handle fish with wet hands to avoid damage to the fish's slime layer. Before releasing the fish in the water, try to gently force water over its gills to help revive it. Studies have shown that fish have a good chance of survival if steps are taken to ensure a fast and healthy release.

- **Teams**

- May include up to four registered anglers (including the captain).

THINGS TO KEEP IN MIND

REMINDERS:

- If you are over 16 years of age, you will need either a Florida recreational saltwater fishing license or a shoreline license, depending on whether you are fishing from a boat or land. Licenses can be purchased at fishing shops or online at:
 - <https://gooutdoorsflorida.com/ViewPackage.aspx?pid=25&lrtid=1&annual=1>
- Please practice safe boating at all times.
- All federal, state, and local rules must be followed including permitted practices: fishing from boat, kayak, land or dock.
- All fish must be caught with handheld rods and reels. No electric reels, gigs, spears, or netting will be allowed.
- Please stay away from restricted areas such as the Skyway Bridge pilings, Weedon Island power plant, MacDill Air Force Base, etc. There are stiff penalties for boating in a restricted area.

For questions on tournament day, please email canterburycup@canterburyflorida.org or call Audrey Mitchell at 727- 521-5922
